

# FOUNDATION OF SELF-ADHESIVE FILMS.

This training is recommended for any professionals planning to start a business in the field of sign-making and marking. It aims at presenting the basic principles of self-adhesive films, their handling and application.

## Duration:

1 day and 2 days

## Maximum number of participants:

12 per trainer

6 per car maximum

## Programme:

- + Knowledge and evaluation of the different types of adhesive films
- + Introduction to tools and accessories
- + Preparation of the substrate
- + Weeding and use of transfer tape
- + Using the squeegee
- + Dry and wet application methods
- + Application techniques depending on type of film
- + Cutting techniques on different substrates (panels, window, car...)
- + Finishing

Training sessions are not to be used for full-wrap purposes. The trainer will remove all film from the cars at the end of the session.

After the course, every participant will receive a certificate of attendance.
