

INTERIOR DECORATION.

This training course aims at using self-adhesive films for interior decoration purposes of rooms: shops, restaurants, designer objects... It shows the basic principles of self-adhesive films, their handling and application.

Duration:

1 day. To avoid extra travel costs and organization of the trainee's agendas we ask you to book at least 2 full days of training sessions at a time.

Maximum number of participants:

12 per trainer
6 per car maximum

Programme:

- + Presentation of the films (monomeric, polymeric, cast)
- + Knowledge of different types of substrates (plastic, glass, plaster, concrete, etc.)
- + Nature and appearance of the substrate (flat, curved and angular surface)
- + Identify which product to use on which substrate
- + Preparation of the substrate
- + Introduction to tools and accessories
- + Application techniques depending on the substrate (walls, furniture...)
- + Application techniques depending on type of film
- + Cutting techniques on different substrates (panels, window, car...)
- + Finishing and cutting

Training sessions are not to be used for full-wrap purposes. The trainer will remove all film from the cars at the end of the session.

After the course, every participant will receive a certificate of attendance.
