

WRAP 1 DAY. TROUBLESHOOTING

This training course is aimed at confirmed installers wishing to explore the more advanced application techniques: front and rear bumpers, exterior mirrors, aerators, door handles, cutting techniques... The focus of this training course will depend on the enquiries received as well as on the level of the participants.

Duration:

1 day. To avoid extra travel costs and organization of the trainee's agendas we ask you to book at least 2 full days of training sessions at a time.

Maximum number of participants:

12 per trainer
6 per car maximum

Programme:

The trainees will be confronted with practical cases; they will need to find solutions in a team spirit and practice in a real situation. Our approved trainers will give them unlimited access to years of practice in the handling of adhesive films.

Training sessions are not to be used for full-wrap purposes. The trainer will remove all film from the cars at the end of the session.

The trainer will be at their service to answer any questions and will take into account the level of knowledge of each participant.

This Wrapping TROUBLESHOOTING training is only available to experienced installers.

After the course, every participant will receive a certificate of attendance.
